

Joy Baker

Joy Baker is a skilled and compassionate individual who specializes in supporting others overcome obstacles so that they are ready to experience a quantum leap along their journey of awareness.

Having embarked on an intense journey of personal growth and dived deep into her own inner world, Joy understands the courage it takes to look within and embrace vulnerability and self-awareness.

Meet Joy Baker, a remarkable and compassionate soul dedicated to guiding her clients on a profound journey of emotional release and healing. With a unique expertise in untangling the threads of trapped emotions resulting from trauma, Joy's work transcends conventional healing practices. In a world where the scars of life's trials often remain hidden within, Joy shines a light on the transformative power of acknowledging and releasing these hidden pains.

Joy's mission is rooted in the understanding that trauma can silently shape our lives, affecting our emotions, actions, experiences, and even our physical well-being. Drawing from her own remarkable journey, Joy knows firsthand the importance of addressing these silent echoes of pain. A childhood marked by adversity – encompassing abuse, epilepsy, speech impediments, and relentless bullying – could have easily defined Joy's life. Instead, it ignited an unquenchable fire within her to rise above.

Her personal voyage led Joy down the "rabbit hole of pain," a courageous expedition into her past that allowed her to confront and conquer her own traumas. This journey of self-discovery became the crucible from which her remarkable healing practice emerged. Joy's triumphant transformation from victim to healer serves as a beacon of hope, demonstrating that wounds can be turned into wisdom, scars into strength.

As a gifted healer, Joy possesses an unparalleled ability to create a safe and nurturing space for her clients. She skillfully guides them through the intricate process of breaking free from self-imposed limitations and rediscovering their inherent worth. Joy's approach combines profound empathy with proven techniques, resulting in an alchemical blend that encourages profound shifts in perspective and catalyzes life-altering change.

The impact of Joy's work is undeniable. Clients who have had the privilege of experiencing her clearings and activations emerge with a renewed sense of purpose and direction. Through her guidance, they shed the weight of past traumas, paving the way for authenticity, empowerment, and a rekindled zest for life.

"Joy! Thank you so so so so much for this beautiful session. You gave me so much to work with and I will be doing some healing around the solar plex/power struggle and the throat. I'm so grateful you are now offering these sessions and I just know they are going to help so many people. Thank you thank you!!"
~ Emmanuel Dagher, Holistic Healer, Best Selling Author

"My first reading by Joy Baker totally BLEW me away... I CRIED... I felt totally heard and a part of me absolutely knew she was reading the deepest essence of my soul and inner child. Joy is truly a miracle worker. She has a way of communicating with the deepest parts of you for beautiful soul healing. She's able to open new doors in your life by aligning healing and bringing you back to the perfect essence that you've always been. Her reading of me was 100% one of my MOST ACCURATE I've ever gotten and even better, she cleared away energies and issues that were holding me back in several key areas of my life."
~ Darius Barzandeh, CEO and Founder of You Wealth Revolution

"I am a huge fan of Joy Baker and her work! She is one of the most exquisite and thorough healers out there. Joy really cares, and there are definite shifts for the positive, for wholeness, and for healing when working with her. I've done several different sessions with Joy, and I'm blown away by what she can see and know, it is like she's an x-ray machine and goes deep into your soul to heal everything from pre-birth, to womb, to childhood, to now. She is a stellar, caring person, an expert at shifting all sorts of situations and traumas. I highly recommend Joy and her services."
